Booking Process

Guests should contact their preferred hotel quoting 'Scottish Rural Action – Self-Booking Group'. They will be required to provide their full name, address, telephone number and/or mobile number and email address. Full prepayment will be required at the time of booking and a booking reference will be issued. These special negotiated rates are non-refundable and non-transferable (we recommend that guests have travel insurance to ensure they are covered, should anything unforeseen happen and they are unable to stay). Bookings are directly with the hotel via telephone and accommodation cannot be booked online. Also, if agencies are booking accommodation, the rates are non-commissionable.
